

ABOUT EVANN

Evann Clingan is an endorphin-fueled redhead and fitness blogger living in New York City. By day, she works on the Influencer Marketing team at 360i. When Evann is not at the office, she's often training for destination races or sharing her fitness adventures on EC.com.

Following graduation and her move to New York, Evann was excited but intimidated by the rapidly growing fitness scene. As a non-fitness professional, she now shares her boutique fitness and race training experiences in hopes that others will find the confidence to take on similar challenges. Evann runs destination races multiple times per year. She has crossed finish lines in San Francisco, Orlando, Vancouver, Pittsburgh, Austin, and other locations. EC.com also covers performance fashion, nutritious eats, charitable causes, and city life with a focus on helping others make healthier choices while keeping a packed schedule.
